

## LEATHER Testing

Proficiency Testing Schedule  
LEATHER for 2024 (January-June)  
Issue 01/07/2024

| PT Round : TTS-L2401 |   | Period : February          |                           |
|----------------------|---|----------------------------|---------------------------|
| Test group           | Testing standard  | Price -each <sup>(*)</sup> | Set- price <sup>(*)</sup> |
| Leather              | ISO 4045 (2018) : Determination of pH and difference figure   | 110 €                      | 300 €                     |
| Leather              | ISO 5402-1 (2022) : Determination of flex resistance Part 1: Flexometer method                              | 100 €                      |                           |
| Leather              | ISO 11640 (2018) : Color fastness to back and forth friction  | 90 €                       |                           |
| Leather              | ISO 3376 (2020) : Physical and mechanical tests Determination of tensile strength and percentage elongation | 100 €                      |                           |

<sup>(\*)</sup> : All prices are mentioned in euro. Prices do not include shipping costs.

Note : This schedule is subject to frequent update. Modifications are marked with statut as [Canceled] or [New]. Proficiency testing schemes will be offered as shown in the table above. However, their implementation is dependent upon there being sufficient interest.

## LEATHER Testing

Proficiency Testing Schedule  
LEATHER for 2024 (January-June)  
Issue 01/07/2024

| PT Round : TTS-L2402 | Period : April  |                            |                           |
|----------------------|---|----------------------------|---------------------------|
| Test group           | Testing standard  | Price -each <sup>(*)</sup> | Set- price <sup>(*)</sup> |
| Leather              | ISO 3377-1 (2011) : Physical and mechanical tests - Determination of tearing force - Part 1: single edge tearing <b>[Canceled]</b>  | 90 €                       | 280 €                     |
| Leather              | ISO 3377-2 (2016) : Physical and mechanical tests - Determination of tear load - Part 2 : double edge tear <b>[New]</b>   | 90 €                       |                           |
| Leather              | ISO 20344 (2021) § 7.1 : Determination of the thickness of the insole   | 90 €                       |                           |
| Leather              | ISO 20344 (2021) § 7.2 : Determination of water absorption and desorption of the insole and insock  | 90 €                       |                           |
| Leather              | EN 13520 (2002) + A1 (2005) : Test methods for uppers, lining and insocks - Abrasion resistance / ISO 17704 (2004) : Test methods for uppers, linings and insocks Abrasion resistance | 120 €                      |                           |

(\*) : All prices are mentioned in euro. Prices do not include shipping costs.

Note : This schedule is subject to frequent update. Modifications are marked with statut as **[Canceled]** or **[New]**. Proficiency testing schemes will be offered as shown in the table above. However, their implementation is dependent upon there being sufficient interest.

## LEATHER Testing

Proficiency Testing Schedule  
LEATHER for 2024 (January-June)  
Issue 01/07/2024

| PT Round : TTS-L2403 | Period : June  |                            |                           |
|----------------------|--|----------------------------|---------------------------|
| Test group           | Testing standard   | Price -each <sup>(*)</sup> | Set- price <sup>(*)</sup> |
| Leather              | EN 388 + A1 (2018) § 4.1 & § 6.2 : Protective gloves against mechanical risks - Resistance to cutting by slicing | 100 €                      | 190 €                     |
| Leather              | ISO 17696 (2004) : Footwear - Test methods for uppers, linings and insoles -Tear strength                        | 90 €                       |                           |
| Leather              | ISO 4674-1 method B (2016) : Determining the tear resistance of the liner upper and/or tongue                    | <b>Free</b>                |                           |

(\*) : All prices are mentioned in euro. Prices do not include shipping costs.

Note : This schedule is subject to frequent update. Modifications are marked with statut as [Canceled] or [New]. Proficiency testing schemes will be offered as shown in the table above. However, their implementation is dependent upon there being sufficient interest.
